Rose of Sharon is a common name that has been applied to several different species of flowering plants that are valued in different parts of the world. It is also a biblical expression, though the identity of the plant referred to is unclear and is disputed among biblical scholars. In neither case does it refer to actual roses, although one of the species it refers to in modern usage is a ...

Among the basic tenets of Scientology are the beliefs that human beings are immortal, that a person's life experience transcends a single lifetime, and that human beings possess infinite capabilities. Scientology presents two major divisions of the mind. The reactive mind is thought to absorb all pain and emotional trauma, while the analytical mind is a rational mechanism which is responsible ...
