The Language Hacking Method . #LanguageHacking is a completely different approach to language learning. It's not something only "other people" can do. It's simply about being smart with how you learn: learning what's indispensable and skipping what's not.

### Language Hacking by Benny Lewis - Teach Yourself Courses

It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea: Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, LanguageHacking shows you how to learn and speak. It's true that some people ...
