My approach is to reconstruct their views and critiques of them as meta-arguments, and to elaborate the meta-argumentative aspects of radical dis-agreements. It turns out that deep disagreements are resolvable to a greater degree than usually thought, but only by using special principles and practices, such as meta-argumentation, ad hominem ...

Deep disagreements: A meta-argumentation approach

A recent approach to meta-argumentation has been presented by Modgil and Bench-Capon [43] where an extension of Dung's argumentation framework enabling the integration of meta-level reasoning about preferences is presented. For a further discussion on these uses of meta-argumentation in the literature, see
