New Media in Black Women's Autobiography: Intrepid

New Media art has strong parallels to Video art as well. The emergence of Video art as a movement was precipitated by the introduction in the late 1960s of the portable video camera, or PortaPak.

New Media Art - Introduction - ATC Lecture Series

Social media centers on creating, sharing and exchanging information, ideas and content in online networks and communities. Highly interactive, social media is a form of new media that relies heavily on the participation of users to provide value. As opposed to forms of new media like virtual reality, social media is commonplace.
