Open Arts Studio is a school of the arts where traditional and modern techniques of fine art are taught in a safe and non-competitive environment, giving students the tools and freedom to express their growing creativity. Our approach in learning combines three fundamental elements: technique, creativity and fun. These three elements are vital in developing confidence and self-expression.

The open society was conceived in 1932 by French philosopher Henri Bergson. The idea was further developed during the Second World War by Austrian-born British philosopher Karl Popper.. Bergson describes a closed society as a closed system of law or religion. It is static, like a closed mind. Bergson suggests that if all traces of civilization were to disappear, the instincts of the closed ...
