

optimal solutions sap pdf

Active Transformation® The integration of strategy processes and implementation is a major challenge for all projects. Many projects fail in the face of this challenge, or don't bring the expected results, because people from the strategic and implementation levels aren't speaking the same language.

Accentis

An optimum can be achieved with xFlow Orders for sales orders in SAP SD, which supports users with workflow-based sales-order processing. For one, fewer of your documents are subject to the negative effects of shipping time and postal delays.
