Lesson:-12 The Different Approaches and Systems of Management Students, you should know that the year 1911, the year Frederick Winslow Taylor's

The Different Approaches and Systems of Management

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
