[Ebook Download] Outside Context Problem

An outside context problem is a large scale problem that is beyond the imagination of a society, organization or individual before it suddenly happens. The classic example is an isolated island with primitive technology that suddenly encounters a more advanced civilization.

What is an Outside Context Problem? - Simplicable

The first book I read in the series, Excession, turns the tables on the Culture and introduces them to an interloper of tremendous power, which prompts one of the Minds to elaborate on the Outside Context Problem:
