The Outsiders is a fictional superhero team appearing in American comic books published by DC Comics. As its name suggests, the team consists of metahuman superheroes who do not fit the norms of the "mainstream" superhero community (the Justice League).. The Outsiders has had a number of different incarnations. They were founded by Batman, whose ties to the League had become strained, and ...

### Transformational vs. Transactional Leadership Theories

The existence of these and other contradictions can be explained as either (1) the original authors were not divinely inspired and therefore didn't write stories that aligned with each other, (2) scribes made errors in copying the scriptures, or (3) the writings were deliberately revised by scribes to meet their personal biases or beliefs.

Box and Cox (1964) developed the transformation. Estimation of any Box-Cox parameters is by maximum likelihood. Box and Cox (1964) offered an example in which the data had the form of survival times but the underlying biological structure was of hazard rates, and the transformation identified this.
