Five key ingredients for improving student motivation

In political theory and particularly Marxism, class consciousness is the set of beliefs that a person holds regarding their social class or economic rank in society, the structure of their class, and their class interests. According to Karl Marx, it is an awareness that is key to sparking a revolution that would "create a dictatorship of the proletariat, transforming it from a wage-earning ...

Surplus product (German: Mehrprodukt) is an economic concept explicitly theorised by Karl Marx in his critique of political economy. Marx first began to work out his idea of surplus product in his 1844 notes on James Mill's Elements of political economy.. Notions of "surplus produce" have been used in economic thought and commerce for a long time (notably by the Physiocrats), but in Das Kapital ...

Dispositions of U.S. real property interests by foreign persons. If you are a foreign person or firm and you sell or otherwise dispose of a U.S. real property interest, the buyer (or other transferee) may have to withhold income tax on the amount you receive for the property (including cash, the fair market value of other property, and any assumed liability). Corporations, partnerships, trusts ...

Many writers turn to independent self-publishing or "self-publishing companies" after being rejected by agents or traditional publishers. (Of course, many writers -- like me -- prefer the control, speed and income of independent publishing.) While rejection can be depressing and discouraging, the ...
