The planet Mars has been explored remotely by spacecraft. Probes sent from Earth, beginning in the late 20th century, have yielded a large increase in knowledge about the Martian system, focused primarily on understanding its geology and habitability potential. Engineering interplanetary journeys is complicated and the exploration of Mars has experienced a high failure rate, especially the ...

Review: Curse of Strahd. For the fourth storyline/ adventure path for 5th Edition, Wizards of the Coast moved the writing process in-house and brought back the original creators to expand on their creation “ almost 33-years after its original publication “ with Curse of Strahd.. As always, this is a heavy review of the product and will likely have spoilers for the adventure.

Magic Items and Detect Magic. When detect magic identifies a magic item’s school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.
