

people and politics the pdf

The Pew Research Center for the People & the Press is an independent, non-partisan public opinion research organization that studies attitudes toward politics, the press and public policy issues. In this role it serves as a valuable information resource for political leaders, journalists, scholars and citizens.

U.S. Politics & Policy - Pew Research Center

Politics (from Greek: Πολιτική , translit. Politiká, meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

In a political environment defined by widespread polarization and partisan animosity, even simple conversations can go awry when the subject turns to politics. In their in-person interactions, Americans can (and often do) attempt to steer clear of those with whom they strongly disagree.. But online social media environments present new challenges.
