Ylendrian Empire Series by Reesa Herberth - Goodreads

The kind people here have invited us to stop by and tell you a little about our newest book, *Peripheral People*. A standalone novel in the Ylendrian Empire series, *Peripheral People* combines elements of romance, science fiction, paranormal, and crime drama in the intense, galaxy-spanning hunt for a psychic serial killer. Hot on the trail and hot for each other (in the sense that theyâ€™d both prefer to be set on fire than work together), the imperial agents who stumble into the ...
