The current interstate regulatory environment faced by nonprofit organizations conducting charitable solicitations (particularly online) is unduely burdensome, and change is inevitable. The limits and faults of the current system are discussed, remedies suggested, and current efforts to advance changes are described.

### **Out-of-State Solicitation and Registration**

This is a partial list of social and cultural phenomena specific to the Internet, also known as Internet memes, such as popular themes, catchphrases, images, viral videos, and jokes. When such fads and sensations occur online, they tend to grow rapidly and become more widespread because the instant communication facilitates word of mouth
