Marxism is a method of socioeconomic analysis that views class relations and social conflict using a materialist interpretation of historical development and takes a dialectical view of social transformation. It originates from the works of 19th-century German philosophers Karl Marx and Friedrich Engels.. Marxism uses a methodology, now known as historical materialism, to analyze and critique ...

Historical materialism is the methodological approach of Marxist historiography that focuses on human societies and their development over time, arguing that they follow a number of observable tendencies. This was first articulated by Karl Marx (1818â€“1883) as the materialist conception of history. It is principally a theory of history according to which the material conditions of a society's ...

Abstract: In recent years the Book of Mormon has been compared to pseudo-biblical texts like Gilbert J. Huntâ€™s The Late War (1816). Some have found strong linguistic correspondence and declared that there is an authorial relationship. However, comparative linguistic studies performed to date have ...
