Interrogating the Connection between Power and Responsibility. Power is guided by an intend to make others do what one wants. Thus, having power always compels a person to abridge the limits of morality and infringe upon the rights of others. A person, under the intoxication of power, refuses to respect the rights of the others,...

[Essay] With Great Power Comes Great Responsibility

heard, my title is "The Power of Responsibility", "The Power of Responsibility". Now I'm going to tell you how I got this title, which is kind of funny, because you brought it up during the rehearsal, Spider-Man. When I was a kid, I was a big Spider-Man fan. As a matter of fact, I collected comic books as a kid, like a lot of kids did. It was

In this sense, responsibility refers to more than just the primary function of a role; it refers to the multiple facets of that function—both processes and outcomes (and the consequences of the acts performed as part of that bundle of obligations).

Responsibility and Accountability - Southeastern Homepages

There is a definite relationship between authority, responsibility and accountability. Without a clear understanding of this relationship, effective functional management, with clear lines of reporting and communication, becomes a distinct improbability. Authority requires the ability to give orders properly.
