The Power of Collaborative Solutions from Loren Feinstein on Vimeo.. The Power of Collaborative Solutions is the culmination of thirty years of community work that I have participated in. My goal in writing the book is to help other people discover the amazing power I have witnessed in communities that work together to solve their own biggest problems.

Shared leadership is a leadership style that broadly distributes leadership responsibility, such that people within a team and organization lead each other. It has frequently been compared to horizontal leadership, distributed leadership, and collective leadership and is most contrasted with more traditional "vertical" or "hierarchical" leadership that resides predominantly with an individual ...

Shared leadership - Wikipedia

Collaboration is the process of two or more people or organizations working together to complete a task or achieve a goal. Collaboration is similar to cooperation. Most collaboration requires leadership, although the form of leadership can be social within a decentralized and egalitarian group. Teams that work collaboratively often access greater resources, recognition and rewards when facing ...
