Prayer is an invocation or act that seeks to activate a rapport with an object of worship, typically a deity, through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity, or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated ...

The "Gestalt prayer" is a 56-word statement by psychotherapist Fritz Perls that is taken as a classic expression of Gestalt therapy as way of life model of which Dr. Perls was a founder.. The key idea of the statement is the focus on living in response to one's own needs, without projecting onto or taking introjects from others. It also expresses the idea that it is by fulfilling their own ...
