Trends in real estate private equity - EY

The history of private equity and venture capital and the development of these asset classes has occurred through a series of boom and bust cycles since the middle of the 20th century. Within the broader private equity industry, two distinct sub-industries, leveraged buyouts and venture capital experienced growth along parallel, although interrelated tracks.

History of private equity and venture capital - Wikipedia

List of London Private Equity Firms . Below is a list of Private Equity funds that have offices in London and have a significant European presence. We broke down the list in "generalist" funds that cover all sectors across different geographies, "sector specialists", "specific region-focused" funds and finally Private Equity funds within investment banks.
