A privately held company, private company, or close corporation is a business company owned either by non-governmental organizations or by a relatively small number of shareholders or company members which does not offer or trade its company stock to the general public on the stock market exchanges, but rather the company's stock is offered, owned and traded or exchanged privately or over-the ...

### **Privately held company - Wikipedia**

A limited liability company (LLC) is the US-specific form of a private limited company. It is a business structure that can combine the pass-through taxation of a partnership or sole proprietorship with the limited liability of a corporation. An LLC is not a corporation in and of itself; it is a legal form of a company that provides limited liability to its owners in many jurisdictions.
