The Progress of Love. Indeed, "The Progress of Love" serves well to describe the ten other pieces when viewing "progress" in the light of its subtler meaning, "unfolding," for all the stories concern themselves with the unfolding of love in lives altogether ordinary. The characters search for this love, find it sometimes, lose it on other occasions,...

The Progress of Love Analysis - eNotes.com

The bulk of "The Progress of Love" takes place during the summer when the narrator is twelve. She's looking back on that summer, on the memories that she has of her mother during that time, because her father has called to say that her mother has died.
