Psychology is the science of behavior and mind, including conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope and diverse interests that, when taken together, seek an understanding of the emergent properties of brains, and all the variety of epiphenomena they manifest. As a social science it aims to understand individuals and groups ...

So What Is Positive Education? Positive education is the combination of traditional education with the study of happiness and well being, using Seligman's PERMA model and Values in Action (VIA) classification. Seligman has been working on incorporating positive psychology into education to decrease depression in younger people and enhance well being and happiness.

English language Liberation Psychology Network. It was profoundly distressing to hear Donald Trump on the campaign trail vowing a return to abusing prisoners with "a hell of a lot worse than waterboarding." Those thoughts threaten to reverse the work that I and others have done over the last decade to end torture as an official US government policy and to prevent health professionals ...
