

public art pdf

Public art is art in any media that has been planned and executed with the intention of being staged in the physical public domain, usually outside and accessible to all. Public art is significant within the art world, amongst curators, commissioning bodies and practitioners of public art, to whom it signifies a working practice of site specificity, community involvement and collaboration.

Public health has been defined as "the science and art of preventing disease, prolonging life and promoting human health through organized efforts and informed choices of society, organizations, public and private, communities and individuals". Analyzing the health of a population and the threats it faces is the basis for public health. The public can be as small as a handful of people or as ...
