

public art space a pdf

Public art is art in any media that has been planned and executed with the intention of being staged in the physical public domain, usually outside and accessible to all. Public art is significant within the art world, amongst curators, commissioning bodies and practitioners of public art, to whom it signifies a working practice of site specificity, community involvement and collaboration.

Public art is coming to a neighbourhood near you! Public art commissions accompany major capital projects such as the O-Train Confederation Line. Using a percent of the capital project's total budget, new art commissions are planned for public sites and are awarded to an artist based on a peer assessment committee's recommendation.

The phrase Spacecraft Cemetery can refer to an area in the southern Pacific Ocean 3,900 kilometres (2,400 mi) southeast of Wellington, New Zealand, where spacecraft, notably the defunct Mir space station and waste-filled Progress cargo ships are and have been routinely deposited. The area corresponds with the "Point Nemo" oceanic pole of inaccessibility; the area of ocean furthest from land.
