### **2003 Ford Explorer Service Engine Soon Light PDF Download**

The purpose of the "service engine soon" light is to warn the operator that sensors in the vehicle have detected a malfunction. When we first see this little light on our dash we get a little worried at the potential cost of the repair. Immediately we assume the worst and fear a bill in the hundreds or thousands of dollars.

### **The "Service Engine Soon" Light on Your Dash Might Just**

The service engine soon light is often confused with the check engine light. The check engine light is a light to alert you to a possible problem with the exhaust and emissions systems. This will let you know when there is an excessive concentration of carbon monoxide being emitted through your exhaust system.

### **Why the Service Engine Soon Light Might Come On**

re-setting Service Engine Soon light. I changed an oxygen sensor and now want to turn off my Service Engine Soon light to see if it stays off. Autozone said just removing the negative battery wire for 15 minutes would do it. I left it off for about an hour. Started the car and the light is still on.

### **re-setting Service Engine Soon light - Nissanhelp.com Forums**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **What Does the Service Engine Soon Light Mean - T3 Atlanta**

Check Engine Light: The Mechanic's Dirty Little Secret. What your mechanic probably won't tell you is that you really didn't need to shell out \$100 just for them to hook up an OBD-II scanner to check on the service engine light. You can get that for free at most auto-parts stores. I've had this done at Napa and Advance Auto Parts.
