Octopus is the fourth album by British progressive rock band Gentle Giant, released in 1972. It is the band's first album with new drummer John Weathers, who would remain with the band until their dissolution in 1980. Octopus remains a highly regarded example of the progressive rock genre and is generally considered to represent the start of the band's peak period.

Gentle Ben is a bear character created by author Walt Morey and first introduced in a 1965 children's novel, Gentle Ben. The original novel told the story of the friendship between a large male bear named Ben and a boy named Mark. The story provided the basis for the 1967 film Gentle Giant (1967), the popular late 1960s U.S. television series Gentle Ben, a 1980s animated cartoon and two early ...
