home recording studio - Disc Makers

a home studio. OK, it's not quite that easy, but the concept is the same: One piece of equipment connects to another and that to another. When everything is connected properly to a computer, you've got a "home studio" capable of recording your voice or music. If you aren't

Building Your Home Studio - The Showreel

If you're interested in home recording (what musician isn't?), then you're going to want to download your free PDF right away! The topics covered in The Home Studio Handbook include: Acoustics and how to set up your room Optimizing your studio space Get the most out of your gear
