P1 T Cambridge Grammar of the English Language

Doggerel is poetry that is irregular in rhythm and in rhyme, often deliberately for burlesque or comic effect. Alternatively, it can mean verse which has a monotonous rhythm, easy rhyme, and cheap or trivial meaning. The word is derived from the Middle English dogerel, probably a derivative of dog. In English it has been used as an adjective since the 14th century and a noun since at least 1630.
