Works Volume 1, is the fifth studio album by the English progressive rock band Emerson, Lake & Palmer, released as a double album in March 1977 on Atlantic Records. Following their successful 1974 world tour, the group took a break from recording and touring. They relocated to Montreux, Switzerland and Paris, France to record a new album. Each member was allocated one side of a record to write ...

Galton also published a great number of scholarly papers, popular articles, letters and interviews on the subject of fingerprints. This was important groundwork, and prepared the way for the positive findings of the Parliamentary committee of 1894, which soon led to the acceptance of fingerprint testimony in the courts, to identify recidivists, and later to their forensic use.
