New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.

The Bauhaus combined elements of both fine arts and design education. The curriculum commenced with a preliminary course that immersed the students, who came from a diverse range of social and educational backgrounds, in the study of materials, colour theory, and formal relationships in preparation for more specialized studies.
