RideAmigos effective transportation demand management programs and platform are changing the way the

world commutes. The RideAmigos Platform RideAmigos is the leading cloud based commuter management platform .

About | RideAmigos - Transforming Urban Transportation

In many countries, urban development practices have worked in favor of such preference, leading to urban sprawl. Thus, remedial measures have to focus on reversing the preference for such modes of travel, shifting to public transport, cycling, or walking, and building and retrofitting cities to minimize the need for private automobiles.

Malaysia Economic Monitor, June 2015 : Transforming Urban

urban public transport services Mexico, as well as by the haphazard urban development experienced over the last few decades. Recent estimates point to an alarming trend in increased car use in the last two decades,
