

trolley car days pdf

A tram (in North America streetcar or trolley) is a rail vehicle which runs on tramway tracks along public urban streets; some include segments of segregated right-of-way. The lines or networks operated by tramcars are called tramways. Historically the term electric street railways was also used in the United States. In the United States, the term tram has sometimes been used for rubber-tyred ...

I took my granddaughters, age 5 and 7, to the Trolley Museum today. They had a blast. So did my poochie and I. We did it all - rode the trolley, climbed all over and inspected the caboose being restored , pumped the hand car, and the girls had a good ole time running the trains (or moving the Brio ones) as I looked at photos.
