TV Tropes is a wiki that collects and expands descriptions and examples of various plot conventions and plot devices, more commonly known as tropes, that are found within many creative works. Since its establishment in 2004, the site has shifted focus from covering only television and film tropes to covering those in other types of media such as literature, comics, manga, video games, music ...

Monogenism or sometimes monogenesis is the theory of human origins which posits a common descent for all human races. The negation of monogenism is polygenism. This issue was hotly debated in the Western world in the nineteenth century, as the assumptions of scientific racism came under scrutiny both from religious groups and in the light of developments in the life sciences and human science.

As a generic system, GURPS has no inherent story or background, although a number of settings have been developed and published specifically for the system, and others have been adapted; see GURPS Settings. For those curious about where GURPS fits in the taxonomies of game mechanics, GURPS is point-based and skill-based rather than level- and class-based.

This paper explores spiritual and aesthetic cultural values associated with ecosystems. We argue that these values are not best captured by instrumental or consequentialist thinking, and they are grounded in conceptions of nature that differ from the ecosystem services conceptual framework.

### **Aesthetic and spiritual values of ecosystems: Recognising**

By Daniel Margrain On the surface Jeremy Corbyn's rally leading up to the Labour Party conference and his closing leadership speech in Brighton were both resounding successes. But there is a long-standing issue that many activists argue need to be addressed by the Labour leadership, namely, the continued false accusations of 'antisemitism' instigated by the
