Dynamics & Articulations - page 4 20th century score will generally be performed much more vigorously than an accent placed above a note in a score from the Classical era. However, do not dismiss the important role of these markings. They tend to make music more interesting, and can give performers further clues into the mind of the

Last week, I published a blog questioning the value and veracity of Microsoft's Intelligent Cloud Insights feature for Dynamics GP. I made the case that if you run GP, you already have the Intelligent Cloud (even if you are running GP On Prem) and don't need to pay \$20-\$70 per user per month to "get" it.

Someone with a dynamic personality is probably funny, loud, and excitable; a quiet, mousy person isn't dynamic. You can also talk about the dynamic aspect of music, which has to do with how the music uses dynamics, which means "changes in volume." When things are dynamic, changes and energy are in the air.
