First saw this poem at the clinic of my sonâ€™s pediatrician, liked it and remembered to bring something so I could copy it the next time I went there because the poem said it all. Parents want the best for their children but we are not equipped with how to properly rear our children and yes, we can only follow what our parents did with us.

### **WHAT ALL CHILDREN WANT THEIR PARENTS TO KNOW**

Our children are the most important people in our lives. We must work hard to see that our children get the time they need with us. Ideally, each child needs one-on-one time with each parent. For the oldest child, this time can be scheduled after the other children are asleep.

Children are incredibly wise and tend to see the world more simply than we do. Perhaps it is time we start

taking their advice. Maybe we would all feel a little less stressed and be satisfied with the fact that doing little things really isâ€¦ good enough.

FIVE CHILDREN AND IT 4 The best part of it all was that there were no rules about not going to places and not doing things. In London almost everything is labelled 'You mustn't touch,' and though the label is invisible, it's just as bad, because you know it's there, or if you don't you jolly soon get told.
