

**womans embodied self feminist pdf**

Publisher of academic books and electronic media publishing for general interest and in a wide variety of fields.

**Books - NYU Press | NYU Press**

Sexism is prejudice or discrimination based on a person's sex or gender. Sexism can affect anyone, but it primarily affects women and girls. It has been linked to stereotypes and gender roles, and may include the belief that one sex or gender is intrinsically superior to another. Extreme sexism may foster sexual harassment, rape, and other forms of sexual violence.
