Wren & Martin refers to a single book High School English Grammar and Composition or collectively, a series of English grammar textbooks written jointly by P. C. Wren and H. Martin. Written primarily for the children of British officers residing in India, these books were widely adopted by Indian and Pakistani schools in the post-colonial era and missionary schools in Burma.

The house wren (*Troglodytes aedon*) is a very small songbird of the wren family, Troglodytidae. It occurs from Canada to southernmost South America, and is thus the most widely distributed bird in the Americas. It occurs in most suburban areas in its range and it is the single most common wren. Its taxonomy is highly complex and some subspecies groups are often considered separate species.
